

The P3 and Patriots Care are proud to support all the students at George Washington High School. It is our goal to support students to be successful, enthusiastic learners. But understand that it is hard to learn & thrive hungry. Therefore, the P3 parents have started the weekend Food Pantry to support our students. All food is provided or purchased via donation and food drives.

Thank you to all our supporters, clubs and donors!

Who is eligible? Current GWHS students and staff.

How does it work? Each week, food will be distributed next to the food pantry (located across from the main office) from 2:30-3:00 each Friday. We will distribute individual and family sized bags. Family sized bags are only eligible for those that sign up in advance. Each bag will provide food for a breakfast, lunch and dinner meal(s) over the weekend. Typically filled to feed a family of four.

Periodically, there will be week distribution dates for special events (holidays, etc.) or products (like meat, cheese, etc.). Participants will be notified of these special distributions.
