

First Ten Minutes

- Make sure planners are being used
- Review planners for tonight's homework, upcoming tests, projects, etc.
- Review deadlines for homework, tests, projects, etc. and prioritize assignments
- Go through each class and discuss what they are currently working on (go into specific details to illustrate sufficient understanding so that everyone is on the same page)
- Advise students to study subjects that they do not have homework in between test dates if there is no homework
